

PETITION

Petition to the Government of Canada:

We the undersigned citizens of Canada acknowledge that the current impaired driving laws are too lenient. In the interest of public safety we as Citizens of Canada want to see tougher laws and the implementation of new mandatory minimum sentencing for those persons convicted of impaired driving causing death. We also want the Criminal Code of Canada to be changed to redefine the offence of impaired driving causing death as Vehicular Manslaughter.

I having read and agreed with the accompanying information sheet do agree to sign this Petition.

Our petition calls upon the Government of Canada to make the following changes to the current drinking and driving laws in Canada and to make a change to the Criminal Code of Canada.

- 1) The charge of impaired driving causing death should be changed to the offence of Vehicular Manslaughter.**
- 2) If a person is arrested and convicted of impaired driving there should be an automatic 1 year driving prohibition.**
- 3) If a person is convicted of causing bodily harm while impaired by being under the influence of either drugs/alcohol there should be a minimum mandatory sentence of 2 years imprisonment.**
- 4) If a person is convicted of causing a collision while being impaired by being under the influence of drugs/alcohol which results in the death of another person, then the person should be liable for a charge of vehicular manslaughter and should receive a minimum mandatory sentence of 5 years up to a maximum of life imprisonment.**

(Right now in Canada there is a maximum sentence of life imprisonment which no one ever gets. There needs to be minimum mandatory sentences).

- 5) If a person flees the scene of a collision. An additional 2 year mandatory sentence of imprisonment should be imposed.**
- 6) If an accused person is convicted of causing a death in a collision while being impaired by being under the influence of either drugs/alcohol and flees the scene of a collision an additional 2 year mandatory sentence should be imposed on top of the minimum mandatory sentence of 5 years for a total of 7 years imprisonment or up to a maximum of life imprisonment.**
